

Winter in July

Service project for Texas Children's Hospital cancer patients

- Who:** Girl Scouts, families and friends
- What:** Make placemats, favors, snowmen crafts, fleece scarves, winter snowcaps, or other winter keepsakes for campers. Each cabin holds 11 campers, or make 184 exciting items.

When: By July 1: contact Assistant Director Peterson (info below) with the number and item your girls would like to make
July 27: All items due to Peterson

Contact: For delivery, please contact Tahra Peterson, Assistant Director, 713-807-0191 or tpeterson@periwinklefoundation.org

Camp Theme: Winter Wonderland

Girl Scouts – can you think of keepsakes for the campers for this especially themed day? Remember, campers are in the midst of the middle of another hot Texas summer! What you make will return home with the children as a keepsake and reminder of their Girl Scout friends and memories they made while at camp.

The Periwinkle Foundation, a nonprofit organization whose goal is to enrich the lives of children with cancer, is very excited to team up with the Girl Scouts of San Jacinto. Doctors help children heal physically, while the Camp Periwinkle experience, a project of the Foundation, helps heal emotionally.

Camp Periwinkle, scheduled for August 2-8, expects 184 special needs campers from Texas Children's Hospital. These children have cancer and/or are blood disorder patients, and can be accompanied by their siblings to camp.

Each year, the camp staff introduces a new camp theme, much like Girl Scout Day Camps. This year's theme, "Camp Periwinkle 2009: More Than You Can Imagine", will be educational and provide self esteem building opportunities as each day, campers and counselors use their imagination to dream of extraordinary things!

The Periwinkle Foundation would like to thank the Girl Scouts for truly helping to change the lives of children with cancer for life!
