

Outdoor Trainings

Girl Scouts of San Jacinto Council (GSSJC) **requires** that at least one adult in each troop be certified troop camp trained before a troop can camp on or off Council property. A criminal background check is run on all camp trained volunteers. The troop camp trained volunteer **must** have a completed volunteer application on file with the Council.

Camp trained volunteers from other Councils may register for the Camping, Outdoor Refresher course to become familiar with the camping procedures in GSSJC. You must show proof of training in your former council.

GSSJC offers two options for volunteers to receive the camping certification – Camping, Standard Troop and Camping, Standard Troop Option 3.
