Toyota Center staff are excited to welcome back **The “World Famous” Lipizzaner Stallions** to Houston with all new music, choreography and routines in their **40<sup>th</sup> Anniversary Tour**. The show emulates the Spanish Riding School of Vienna, Austria, in its presentation of the Lipizzaner breed. The Lipizzans will perform traditional, entertaining maneuvers, showcasing the skills used in their different roles throughout history. Don't miss your opportunity to see one of the greatest equestrian ballets in history live at Toyota Center in February!
