*Thinking Day was first created in 1926 at the fourth Girl Guide/Girl Scout International Conference held at Girl Scouts of the USA's Camp Edith Macy (now called Edith Macy Conference Center). Conference attendees decided that there should be a special day for Girl Scouts and Girl Guides from around the world to "think" of each other and give thanks and appreciation to their "sister" Girl Scouts. The delegates chose **February 22** as the date for Thinking Day because it was the mutual birthday of Lord Baden-Powell, founder of the Boy Scout movement, and his wife, Olave, who served as World Chief Guide.
