

Public Relations Society of America (PRSA) Houston's GSUSA Public Relations Interest Project Award Workshop

The Houston Chapter of the Public Relations Society of America (PRSA) empowers local Girl Scouts to earn the Girl Scouts of the USA (GSUSA) Public Relations Interest Project Award. At the workshop, Girls will learn the lingo of the public relations profession, including those terms that describe the exciting world of online communication and social media tools. Girls will have the opportunity to learn more about the profession, as well as participating in role-playing activities based on certain scenarios. Bring your creative hat and be prepared to have fun while learning about public relations! The full award requirements are listed in the GSUSA publication, Interest Projects for Cadette and Senior Girl Scouts, page 104.
