

Girl Scout Chit Chat

Join us for the first online, interactive discussion for girls in GSSJC! What makes you Seniors & Ambassadors stay in Girl Scouting when the average Girl Scout quits after just 3 years?! What activities would you like to participate in? What programs and opportunities should we create? Vent, discuss and debate with your fellow scouts – all from the comfort of your own home!

Girl Scout Seniors and Ambassadors are gathering online (and at the Girl Scout Center) to share ideas about Girl Scouting. This is your chance to contribute your opinion and make recommendations to Council staff and volunteers about the kind of Girl Scouting you want to be a part of! Join us!
