During Cookie Booth

Brave. Fierce. Fun!

After Cookie Booth

- ☐ Start cleaning up 5 - 10 minutes before the schedule end time
- ☐ If you end up staying after the scheduled end time, direct customers to the troop scheduled after you
- ☐ We are Girl Scouts. Leave your area better than you found it. Take all trash and cardboard with you. Do not use the booth location trash cans to throw away empty cookie boxes
- ☐ Report to the store manager when leaving. Ensure the girls say thank you, and if possible, leave a thank you card
- ☐ Verify the ending cookie inventory and money count
- ☐ Return remaining cookie inventory, supplies, and money to designated troop leader
