

President's Volunteer Service Award

Girl Scouts of San Jacinto Council Application

This is the application for the President's Volunteer Service Award at GSSJC. **It is recommended that this form and its required signatures are collected throughout the year. Each girl or adult must submit an individual application.**

The application period is from **September 1 to August 31** each year. All girls and adults are eligible to earn this award every year. Each year applicants must download and use the updated application to remain current on instructions/guidelines.

Application Due: **OCTOBER 31** to either gscommserv@sigs.org (girls) or adultrecognition@sigs.org (adults).

As a certifying organization of the President's Volunteer Service Award, all hours completed must be in service of GSSJC. Volunteer hours for other organizations, even if completed through Girl Scout channels, cannot be counted towards this award. Your hours should also not be "double-dipped," meaning you shouldn't use the same service hours for multiple Girl Scout awards (e.g. both your Bronze Award Project and the President's Volunteer Service Award).

Learn more about the President's Volunteer Service Award by carefully reading the [F-123A President's Volunteer Service Award Guidelines](#).

Examples of hours that count: serving on a Girl Planning Board or Girl Panel for a Community, Region or Council-wide event, assisting with GSSJC events through Special Interest Groups (e.g. SPURS - 100 Work Weekends, Green Starlettes - GSSJC Dance Clinics, etc), volunteering at day/twilight camp, leading activities for younger girls (outside of requirements to earn LiA/Program Aide/VIT awards), serving as a Counselor-in-Training at camp (outside of the hours required to earn the CIT award)

Examples of hours that don't count: Hours you've already recorded for another Girl Scout award (Service to Girl Scouting, Highest Awards (Bronze, Silver, Gold), LiA/Program Aide/VIT/CIT, etc), service hours through Girl Scouts that benefitted another organization (e.g. Girl Scout Community food drive benefitting the local food bank)

If you have questions on whether certain hours can be counted, please email gscommserv@sigs.org (girls) or adultrecognition@sigs.org (adults). Hours must be signed off by an adult who is outside the applicant's household regardless of whether that person was the highest adult in charge of the activity/event.
