

Treelake Troop Kit Checkout

Treelake Troop Kits are available at the Welcome Center for troops camping over the weekend at Camp Agnes Arnold or Misty Meadows Ranch. Kits cover a wide range of topics – from aquatics and birdwatching to geocaching and team building, plus more! We have kits for all Girl Scout levels, and older Girl Scouts can use kits for younger Girl Scouts as needed.

Kits are available to check out in advance or on demand using [SignUpGenius](#). See the links or QR Code below!
