

# GSSJC 100th

## Anniversary Patch Program

In 2022, Girl Scouts of San Jacinto is celebrating 100 years of fabulous experiences for the girls of Southeast Texas. We have developed a special patch for girls and adults which can be earned by watching a video about the history of the council on our YouTube channel. And then, throughout the year, you can earn charms to attach to your patch. Some charms will be earned by attending an event, but many can be earned on your own and purchased in our shop. This is a list of some of the charms available. Check online and in The Golden Link as more charms will be added throughout the year.

### CHARMS
