Woodworker

Woodworking gives you a feeling of accomplishment - you can make stylish, useful things for yourself and others. Plus it’s fun! Add to your talents the ability to do it yourself! You’ll develop or refine your skills with a hammer, saw, and level; as well as complete a fantastic and unique wooden piece of your own design.

Video One: Swing a Hammer

Hammer
Nails
Piece of Wood

Learn how to safety use a hammer, and then practice using a hammer to make a design with nails in wood!
