Money Counts
You can use money to buy things. You can use it to help other people, too. Let’s find out more about money! When you’ve earned this leaf, you’ll know more about what money is worth.

Video One: Understand Different Types of Coins

Soap or hand sanitizer
At least one of each coin: penny, nickel, dime, quarter
Jar/container

Collect one of each type of coin. Watch the video to guide you through learning the characteristics of each coin. Learn how much each coin is worth and practice identifying the coins.
