

# Be a tour guide for the Museum of Girl Scout History

If you love Girl Scouts and want to help teach others about our narrative, you can become a Goodykoontz Museum tour guide, or docent!

The Goodykoontz Museum of Girl Scout History offers tours to GSSJC troops nearly every weekend to help them connect to the Girl Scout story and explore the links they have to the past. Volunteer tour guides, or docents, can help history come alive for Girl Scouts of all ages by sharing the story of GSSJC with sister Scouts. Shifts are scheduled independently and according to the docent's schedule.

**Who:** Cadette/Senior/Ambassador-mom/leader duos (*girl and adult will give tours as a team*) or individual adult volunteers. All prospective docents must attend training.

**When:** Shifts are scheduled independently and according to the tour guide's schedule; most shifts will be on various Saturdays

**Contact:** Council History Committee staff partner at [museumtour@sjgs.org](mailto:museumtour@sjgs.org) or 713-292-0300
