

Logging in to MY GS

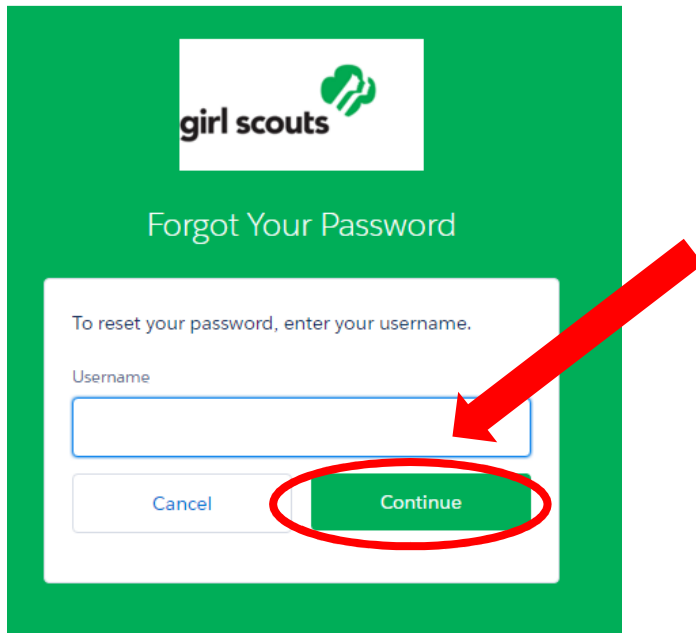

1. Open your Internet browser. We recommend using Firefox or Chrome. If you're on Internet Explorer, anything after Version 9 works best. Go to www.gssjc.org. Click on MY GS and then Member Profile.

2. Log in using your Girl Scout email address as your username. Please note that your password may need to be reset. If you can't remember your password, click the "Forgot your password?" link.

A screenshot of the Girl Scouts login page. The page has a green background. At the top left is the Girl Scouts logo. Below the logo is a white box containing the login form. The form has two input fields: 'Username' and 'Password'. Below the 'Password' field is a green 'Log In' button. Below the 'Log In' button is a checkbox labeled 'Remember me'. At the bottom of the form is a link labeled 'Forgot Your Password?'. A red arrow points from the 'Forgot Your Password?' link to the 'Password' field. At the bottom of the page is the text 'Girl Scouts employee? [Log In](#)'.

3. If you forgot your password, you will be prompted to enter your username. This is your Girl Scout email address. Click "Continue."

4. You should receive an email called "Your New Member Community password" very soon. It contains a link that you will click to create a new password. If you don't receive this email, please reach out to our Customer Service team at customerservice@sigs.org and they can prompt another email to be sent to you.
