

Frequently Asked Questions

GSSJC Adult Trainings

Who teaches Girl Scout training courses?

San Jacinto Council facilitators conduct most classes. These volunteers give their time to share their knowledge and love of Girl Scouting with all Girl Scout adults. Some specialized classes may be delivered by Girl Scout staff members or by special consultants or experts in a particular field.

Do I need to register for training?

Yes! Registration is required. We encourage everyone to register early - at least two weeks prior to the class. The preferred method of registration is to [register online](#). This is the quickest and most efficient way to make sure you are properly registered for the classes of your choice. You can also register by completing the Training Registration Form and sending it to the Council office. Please complete all parts of the form. Encourage your troop committee to attend training with you.

Where can I get registration forms?

Registration forms can be found in each issue of The Golden Link. A printable [Training Registration Form](#) is available online. Print clearly and legibly.

Why are courses sometimes canceled?

Courses may be canceled because the course minimum not met two weeks before the date of the course. Factors beyond the control of the facilitator or registrar, such as a change in the availability of the location, can also cause a cancellation.

What if I need to cancel my registration for a course?

Call the training registrar as early as possible at 1-800-392-4340 or 713-292-0238. Your call may give someone else the opportunity to attend the course.

How will I know if I have been accepted into a course?

If your registration was sent at least two weeks before the course date, you will receive a confirmation card or email. If you do not receive a confirmation card, contact the training registrar at 1-800-392-4340 or 713-292-0238. If your registration was sent less than two weeks before the course date, you may not receive acknowledgment that you are registered.

What do I do if my training session runs through the lunch hour?

If your class runs through the lunch hour, please bring a lunch/drink unless otherwise indicated within the course description. The Girl Scout Center has soft drinks available in vending machines for \$1 each.

What if I have special needs?

It is recommended that volunteers with special needs make their needs known when registering so facilitators can prepare accordingly. Most of the facilities used by San Jacinto Council are handicap accessible.
